English ★★★★★

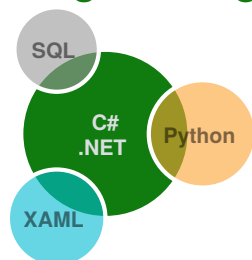

Experience

- 04/17 - 07/21 **Student Assistant, Computer Science** Utrecht University
Courses:
 - Databases
 - Modelling and System Development
 - Datastructures
 - Graphics
 - Optimization and Complexity
 - Concurrency

Voluntary Activities

- 07/17 - 07/20 **Web Developer & Sound Engineer** Navigators Studentenvereniging Utrecht
- 05/16 - 01/19 **Projection & Sound Engineer** Youthevents, Waddinxveen

Programming

Personality

I am known as a hard worker who doesn't stop until a task is done. I enjoy being challenged by complex problems, and revel in finding the best solutions. I can give concrete expression to abstract ideas, and I highly value the transfer of knowledge.

Interests

Hiking and backpacking in the mountains, overanalyzing game mechanics, professional DIY-ing, and deep personal talks.
