Experience

04/17 - Now	**Student Assistent, Computer Science** Courses: • Datastructures • Datastructures and Algorithms for AI • Concurrency	Utrecht University

Voluntary Activities

07/17 - Now	**Web Developer**	Navigators Studentenvereniging Utrecht
05/16 - Now	**Projection & Sound Engineer**	Youthevents, Waddinxveen

Personality

I am known as a hard worker who doesn't stop until a task is done. I enjoy being challenged by complex problems, and revel in finding the best solutions. I can give concrete expression to abstract ideas, and I highly value knowledge transfer.
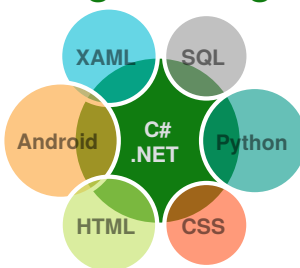

Interests

Hiking and backpacking in the mountains, snowboarding, and deep personal talks.
